LaunchCode:

Web Development Teaching Fellow - Kansas City

LaunchCode

LaunchCode is a non-profit solving the tech talent gap and paving new pathways to economic opportunity through education, apprenticeships and job placement in technology. We're seeking hyper-motivated Teaching Fellows to assist with the delivery of our LC101 class in Kansas City, MO.

Are you passionate about sharing your coding skills with others? Have programming chops and communication skills? Does the thought of preparing people for employment -- sing to your soul? Then you, my friend, should contract with us.

LaunchCode's LC101

LC101 is a unique class that helps students develop the coding skills that will prepare them for apprenticeships in computer programming and information technology. LC101 combines world-class online curriculum with dynamic in-person instruction and specialized skill tracks tailored to align with employer demand.

Teaching Fellow Responsibilities

LaunchCode is seeking highly motivated individuals to serve as contracted Teaching Fellows (TFs) for LC101. TFs assist with instruction, lead an "Advisory Group" of students, and assist students through the coursework. TFs are required to become familiar with the class material and assignments before the class begins. This role reports to the course Instructor.

Qualifications:

- Knowledge of technical concepts including fundamentals of coding, web development, JavaScript, AngularJS, HTML, CSS, SQL, OOP, Java, or C#. You do not need to have all these skills but you do have to have a willingness to learn!
- Passion for programming
- Strong communication skills - Leading small groups, and one on one instruction.
- Perception/Patience (knowing when a student needs help)
- Growth Mindset

The job is fast-paced and multi-faceted. It's also super fun. A pretty sweet deal if you ask us.

You're perfect for this role if you are:

- A great, proactive leader
- Detail oriented
- Experienced in teaching, mentoring, or tutoring
- Armed with a solid understanding of technical concepts (LC101 graduate, CS student or graduate, professional programmer, programming enthusiast engaged in the local tech scene).

Position Type

Part Time - Contract

This is a contracted, part-time, paid position. The class will run for 22 weeks, beginning Monday, October 7, 2019, and running through Monday, March 16. The class will meet Mondays & Wednesdays from 6:00-9pm at Rockhurst University.

Teaching Fellows will be paid $12.50/hr and will work 6-8 hours a week. As contractors TFs are not eligible for employee benefits.

Teaching Fellows will also have the possibility to extend the contract for an additional 9-weeks from Monday, April 6 to Monday, June 8, for LaunchCode's professional development oriented Liftoff program.

To Apply

Apply online by filling out the form above. No phone calls please, we're busy kicking butt and taking names (and tech jobs). Applications will be accepted on a rolling basis until the position is filled. We highly recommend applying as early as possible for the best chance of moving forward. The employment eligibility of all new hires will be verified using E-Verify.

We Heart Diversity

LaunchCode supports and fosters leadership from underrepresented communities. We strongly encourage folks from immigrant communities and communities of color, as well as those who identify as women, LGBTQ or under-resourced to apply. LaunchCode is an Equal Employment Opportunity Employer. Program and employment policies of LaunchCode are nondiscriminatory in regard to race, color, gender, religion, age, national origin, disability, veteran status or sexual orientation.
